The Claremont Colleges Emergency Webpage

100
THE CLAREMONT COLLEGES

In the event of a consortium-wide emergency, official updates and Everbridge messages will be posted on The Claremont Colleges Emergency Webpage at **claremont.edu/emergency**. The webpage serves as the central hub for accurate, real-time information and emergency directives for the TCC community. It includes:

- A brief summary of the situation
- Time-stamped alerts with the latest updates at the top
- Contact information for campus emergency personnel

All posted messages remain visible throughout the duration of the emergency to provide context and continuity. These messages will also be shared to the official social media channels of The Claremont Colleges on Instagram and Facebook @theclaremontcollegesofficial.

Stay informed Stay Prepared

Emergencies can happen when we least expect them, being informed is the first step to staying safe. Make sure you're signed up for Everbridge alerts and familiar with **claremont.edu/emergency**, your trusted source for real-time updates and official information. Take a moment today to bookmark the site.

Everbridge alerts

Everbridge is a mass notification and communication software used by organizations worldwide to deliver critical information quickly and reliably. At The Claremont Colleges, Campus Safety uses Everbridge to share important alerts during emergencies or critical events.

Messages are sent directly to you via text message, email, or the Everbridge app, ensuring that you receive updates immediately and stay informed in real time.

Sign-up for Everbridge Alerts

Each institution has its own registration process for Everbridge notifications. All students, faculty, and staff are encouraged to opt in to receive alerts. If you're unsure whether you're enrolled, contact Campus Safety to verify your enrollment status.

already receiving everbridge alerts?

Text Alerts: When you receive a text alert, click the included link to view the full message—it's safe and provides the most accurate information. Download the Everbridge app for the most reliable and complete alerts.

City of Claremont Emergency Alerts

The City shares citywide emergency updates through its opt-in alert system (phone, email, or text). To receive City and Claremont Police Department alerts, sign up at **www.claremontca.gov/alerts.**
